

Tuition Exchange Program - Supplemental Information

I. Tuition Exchange: Key Questions for the Tuition Exchange Liaison Officer at Participating Institutions

The Tuition Exchange Program is a very popular program that draws a lot of interest from both parents and students. Often, individuals will have a number of questions about the scholarship opportunity at another school. To help guide you through the process, here are some frequently asked questions that you may want to consider asking the participating school's Tuition Exchange Liaison Officer.

1. How many Tuition Exchange Scholarships will you be offering for the upcoming academic year?
2. What are your criteria for receiving a scholarship award?
3. What is the deadline for applying for a scholarship?
4. Do you offer the scholarship only to students who apply early decision? If yes, what is the deadline for early decision applications?
5. What is the value of the Tuition Exchange Scholarship? Must it be applied only toward the cost of tuition?
6. If I'm eligible for other forms of financial aid or scholarships, will this reduce my Tuition Exchange award?
7. If I'm awarded a Tuition Exchange Scholarship, when will I be notified?
8. Do you award scholarships to transfer students?
9. Do you award scholarships mid-year?

Please refer to the other side of this handout for the steps to identifying the Tuition Exchange Liaison Officer at a particular institution.
